Mrs. Hilda Graciela Leitis de Alvarez Rojas used to work as a programmer analyst in the computation center of the Faculty of Medicine UNBA (National University of Buenos Aires). At the same time, Miss Alicia Celina Rodríguez Trelles was working there as a computation programmer. Miss Rodríguez Trelles had a well known anti-Semitic ideas.

Under Dr. Ottalagano conduct in the UNBA, Mrs. Alvarez Rojas was dismissed in May, 1974. Afterward, that computation center was closed in Sept. 30, 1974. Some time after the center is reopened under Miss Rodríguez Trelles' controllership. Mrs. Alvarez Rojas was not reincorporated.

Mrs. Alvarez Rojas entered into O.S.N. (National Sanitary Works) where a new computation service had been just created, in January 1975. This new center had not yet computation equipment and used to utilize that of the Faculty of Medicine center. Because of this circumstance, Miss Rodríguez Trelles knew about Mrs. Alvarez Rojas new job. Immediately Miss Rodríguez Trelles interviewed the chief of the O.S.N. computation service, Eng. González, asking him to dismiss Mrs. Alvarez Rojas. At the beginning Eng. González rejected the idea but after two or three new requirements by Miss Rodríguez Trelles, Mrs. Alvarez Rojas was dismissed.

In July 1975 began to work as a programmer in the Economic Group of INTA (National Institute of Agrarian Technology) from where she was dismissed again after March 1976. As Mrs. Alvarez Rojas had not political activity and as a result of the facts briefly mentioned above, we believe it is a case of a personal and racial harassment because of the anti-Semitic ideas of Miss Rodríguez Trelles and the Jewish origin of Mrs. Alvarez Rojas.
